

## IELA SUMMER PROGRAMMES 2022

### Learning English through fun

Our activity and full immersion programmes give students the ideal opportunity to improve their English during their Summer stay. Our interactive programmes ensure our students are actively as well as passively learning English and show marked improvements by the end of their stay.

### Our Activities

These are always fun and engaging. To be fair, we have a distinct advantage by virtue of our magnificent location in the beautiful villages of Sutton & Howth, on the north shore of Dublin bay. If our students love the activity it stays for the next time, if they don't it is dropped from the programme. Each student is given the opportunity to provide feedback at the end of their stay. We take on this feedback to ensure the quality of our programmes & activities.

### Culture of Care

The IELA Team are focussed on the core of our passion, 'our students' bringing our promise of reliability, commitment and trustworthiness to each student placement. Our team members are available 24 hours a day to ensure that our students achieve the maximum benefit from their IELA experience. Our friendly, personalised and professional approach, high quality host family homestay service and commitment to the safety and happiness of our students are all dedicated to ensuring that our overseas guests enjoy a wonderful and successful experience of life in Ireland.

### WHERE WE ARE

Ireland's Eye Language Academy is located on the heart of Howth Peninsula. Sutton & Howth are beautiful, safe and prestigious villages nestled on the North Shore of Dublin Bay and just 20 minutes from Dublin Airport and Dublin City Centre.

IELA also have a hub in Waterford, a seaport in southeast Ireland, where many of our students attending our High School & Summer programmes.

Our carefully selected host family database is matched with each student profile ensuring the best immersion experience possible. Our welcoming host families are pivotal to the success of our programmes and are Garda Vetted (Police checked).
